ActionGrip 3-N-1 Suction Cup Camera Mount Kit

THE ULTIMATE ACTION CAMERA SUCTION CUP MOUNT

Build the mount you need to get the shot you want.

The ultimate suction cup mount kit for action cameras.

Multi-piece kit allows you to build three different ActionGrip mounts:

- Shorty configuration for low profile mounting. Get the camera as close to the surface as possible.
- Single Knuckle configuration for a full range of motion. Position the camera where you need it.
- Double Knuckle configuration for maximum adjustability. Gets unique angles and shots.

Designed with aluminum components and custom engineered composites for light weight & maximum holding power.

Suction cup made of a high-grade premium material. Stays mounted in hot & cold.

PanaVise is the industry leader for Suction Cup Action Camera Mounts. Action Cam 3-axis adapter features PanaVise ball for Tilt, Turn and Rotate. No more linking together various pieces to point the camera where you needed. Infinite adjustability!

Standard 1/4-20 ball works with all cameras with standard threaded tripod insert.

Compatible will all leading action cameras, including our [OnReal B1KS+ 4K Waterproof Action Camera](#).
